

DWINDLE

Deal 13 cards to each player for the first hand. For each succeeding hand the dealer will deal one less card to each player. So dealing goes from 13 – 12 – 11 – 10 – 9 ETC. until the last hand where only one card is dealt to each player. The game is over at the end of the 13TH hand.

Turn over one card that will be trump.

Jokers are wild.

If two Jokers are played in one trick, the 2ND Joker played takes the first Joker played.

Each player must BID how many tricks they will take. Players must BID simultaneously.
(e.g. Players will BID 1-2-3- with fingers)

Players receive ONE point for each trick taken.

Players receive TEN points if the player takes the number of tricks they BID.

High score at the end of the 13TH hand wins!
